

	Potential Applications	
Laser protection	<ul style="list-style-type: none"> • Laser protection displays <ul style="list-style-type: none"> • Deflection mirrors • Laser safety goggles • Laser protection screens • Laser protection filters 	<ul style="list-style-type: none"> • Laser protection windows • Mirrors for laser beam control • Laser beamsteering mirrors <ul style="list-style-type: none"> • Laser scanning mirrors • Optical components for laser applications
Night vision	<ul style="list-style-type: none"> • Night vision filters, NVIS filters • Components for night vision devices <ul style="list-style-type: none"> • Thermal imaging 	<ul style="list-style-type: none"> • Components for thermal imaging cameras / thermography <ul style="list-style-type: none"> • Floodlight filters / filters for floodlight systems
Lenses / viewing devices	<ul style="list-style-type: none"> • Coatings for rifle scopes • Coatings for high light transmission <ul style="list-style-type: none"> • Coatings for lenses 	<ul style="list-style-type: none"> • Navigation light filters <ul style="list-style-type: none"> • NVG filters
Protective equipment / helmets / visors	<ul style="list-style-type: none"> • Protective coatings for eye protection <ul style="list-style-type: none"> • Near eye displays • Overhead displays 	<ul style="list-style-type: none"> • Wearable devices • Protective coatings for sighting systems
Military vehicles	<ul style="list-style-type: none"> • Protective coatings for optical sensors • Sensors Military vehicles • ADAS Military vehicles 	<ul style="list-style-type: none"> • Imaging technology • Hyperspectral imaging • Hyperspectral sensors
Miscellaneous	<ul style="list-style-type: none"> • Multispectral coating • NIR bandpass filters • NIR blocking filters 	<ul style="list-style-type: none"> • IR blockers / infrared blocking filters • Narrowband bandpass filters in the VIS and NIR spectrum
